Marines clean their heart out on field days (usually Thursday evenings) in hopes of getting freed for some weekend fun, but this task does get tiring after doing it week after week. Some Marines hate it so bad they marry just to get out of the barracks. (^^;

The evil form of field day is "Okinawa Field Day", "Chinese Field Day" or "(whatever location) Field Day" — regardless of the location name, you basically have to remove all the furniture and items from your room, clean the room, put all the things back in the room, and clean the room again. That is a big pain in the rear! (>_<)

Liberty = Time off/permission to leave the barracks/base. Shortened form is "libo."

NCO = Abbreviation for Non-Commissioned Officer. Marines with the rank of Corporal (E-4) or Sergeant (E-5.)

Non-NCOs = Marines ranked Lance Corporal (E-3) and below (E-2 and E-1)

Boot = Marines fresh out of boot camp and new to the unit. Can also be used to describe Marines who haven't deployed yet.

Cpl = Corporal

pick up (rank) = get promoted
